Elliot,

There is good cause for the extension because of many competing deadlines, the volume of discovery in this case, and complexity of the legal issues. The plaintiff will not be prejudiced in any manner. With this additional information, please advise the plaintiff’s position. Thanks.

These deadlines have been in place for a lengthy period of time. No justifiable basis has been provided. We are not agreeable.

Elliot,

We are going to ask the court for a 30-day extension to file a summary judgment brief on behalf of Vicki Becker in Royer. The current deadline is May 1 per dkt. 198, which would make the extended deadline May 31. Can you please indicate the plaintiff's position on that extension request? Thank you.
